

Barnacle Ben's

is a family owned & operated business established in 1978. Our new location at Moorestown Commons has a private banquet room that can accommodate up to forty-five guests and has a plasma television for business presentations. Whatever your gathering may be for: birthday, anniversary, bereavement, cocktail or business, we will gladly help you plan every detail. Weather permitting, the outside patio may also be available.

We serve lunch and dinner daily and our entire menu is available for take-out. We also have carry out cuisine which can be par-cooked or even oven-ready for cooking at home.
